Core Values

Sustainability

We are committed to environmentally responsible practices, from sourcing local ingredients to reducing waste, supporting a healthier planet.

Integrity

We operate with transparency & honesty, building trust with our clients, partners, & team members through ethical practices.

Excellence

We strive for the highest standards in service quality and projects execution, ensuring that every interaction surpasses expectations.

Customer Focus

We prioritize our clients' needs & preferences, actively listening and adapting to ensure their satisfaction and success.

Continuous Improvement

We embrace feedback & seek opportunities for growth and learning, ensuring that we evolve & enhance our services continuously

Creativity

We embrace innovation and artistic expression in all aspects of our business. From menu offerings to event designs, we craft unique experiences tailored to our clients' visions, and impactful experiences.

Community Engagement

We believe in giving back to our community, participating in local initiatives & supporting local suppliers (In-Country Value) and causes.

Catering Services

AMWAJ has established itself as a leading catering services provider in Qatar, trusted by clients in the oils & gas, manufacturing, construction, and infrastructure sectors. We take pride in delivering a diverse range of customized catering solutions, ensuring high quality service and continuous improvement, our expertise covers:

Industrial

Corporate

Banqueting

Industrial Catering

We stand out as a trusted partner in industrial catering services, specializing in catering solutions for the dynamic and demanding industries of oil and gas, manufacturing, construction, and infrastructure. Our reputation for excellence is built on a diverse portfolio of customized services designed to meet the unique needs of each sector we serve. Our expertise in understanding the specific requirements of each industry ensures that our clients receive a catering experience that aligns seamlessly with their operational goals, by :

- Maintaining economies of scale.
- Maintaining the highest quality, food safety & hygiene standards.
- Reducing wastage and energy costs.
- Applying the highest standards of food safety.
- Producing and offering a diverse range of cuisines tailored to clients' demands.
- Ensuring consistency, efficiency and quality during both food production and service delivery.

Corporate Catering

We know how demanding setting up an event or a function can be! That is why we at Amwaj offer each client our personalized service. We can serve any number of guests, be it 20 or 2,000, efficiently and with elegance & style.

We go the extra mile to make sure that your event is as unique as you'd like it to be, with a tailor-made menu to suit your exact preferences and all the attention to details and the highest levels of service that you'd expect from a five-star caterer.

We incorporate style into everything we serve, and ensure that our menu items are a pleasure to the senses, with care being given to their visual presentation as much as to their taste, making each menu as special and unique as your event.

Simply tell us your preferences and we will do the rest, investing all of our attention to ensure that your event / function is pleasurable and memorable for you and your guests so that you can just relax and enjoy the experience.

Banqueting & VIP Events

We understand the intricacies and demands of planning and executing events to perfection. Our banqueting and VIP events sector is dedicated to going the extra mile to ensure that every aspect of your event is meticulously planned and flawlessly executed, exceeding your expectations every step of the way.

We specialize in creating bespoke banqueting and VIP events that are as unique as you envision them to be. From intimate gatherings to grand galas, we tailor each event to reflect your individual style and preferences. Our team of culinary experts curates tailor-made menus that cater to your specific tastes, ensuring that every dish is a culinary masterpiece that delights your guests.

We believe that success lies in the details. That's why we take great care in meticulously planning every aspect of your event, from the ambiance to the menu selection, to create a seamless and unforgettable experience for you and your guests. Our dedication to perfection and precision sets us apart as the premier choice for banqueting and VIP events in Qatar.

Hospitality & Manpower Services

At Amwaj, we take pride in offering top-tier Hospitality & Manpower Services that provide businesses with skilled and dedicated associates to elevate their operations to new heights. In the fast-paced world of hospitality, having the right team of professional associates can make all the difference in delivering exceptional service and maximizing operational efficiency

We understand the importance of reliability and excellence in delivering seamless hospitality services

Professional Associates

Manpower Management

We are dedicated to delivering skilled and reliable workforce solutions tailored to the unique needs of each project and client. We pride ourselves on maintaining a welltrained, motivated, and highly efficient team, ensuring that our clients' operational requirements are met with precision and excellence. Our approach to manpower management involves a strategic blend of recruitment, training, deployment, and ongoing support. We carefully assess the skill sets required for each project, sourcing qualified personnel who meet the highest standards of competence and safety.

With a focus on continuous improvement, we invest in regular training programs and development opportunities to enhance the skills of our workforce. This enables us to stay ahead of industry trends and provide innovative solutions to meet the dynamic demands of the market. Amwaj's commitment to manpower management extends beyond just staffing; it encompasses the creation of a supportive work environment that prioritizes health, safety, and well-being, ensuring that our teams operate at their best in every environment

Facility Management Services

The Facilities Management Services (FMS) division coordinates and manages the safe, dependable, and environmentally-sound operations and upkeep of facilities & assets, in a cost-effective manner aimed at their long-term preservation and fault-trouble-free operation.

Soft Services

Hard Services

Facility Management

FM Overview

We believe in delivering comprehensive, efficient, and sustainable solutions to manage and maintain all aspects of facility operations. From routine maintenance to emergency services, our team ensures that every facility runs smoothly, efficiently, and in compliance with the highest industry standards, contributing to a safe and productive environment for our clients.

Our preventive and reactive maintenance of air conditioning systems, generation power units, plumbing and lighting systems, cleaning, decoration, security, and also other janitorial duties.

The FMS division uses state of the art Computerized Maintenance Management System (CMMS) – Infor EAM, which has varied capabilities to manage and track clients assets, set and follow KPI'S, work orders and spare parts management in addition to PPM scheduling.

The FMS division is specialized in the operation and management of staff accommodation and residential facilities, commercial buildings, offices and retail outlets, in addition to warehouses and industrial facilities.

Housekeeping

Our Housekeeping Services are designed to maintain the highest standards of cleanliness, hygiene, and comfort across all project sites and facilities. Our professional housekeeping team ensures that all areas are meticulously cleaned and maintained, providing a welcoming and healthy environment for all personnel.

We understand the importance of cleanliness in promoting productivity and well being, which is why we focus on every detail, from routine cleaning to specialized tasks. Our services are tailored to meet the specific needs of each project, By adhering to strict hygiene protocols and using sustainable products, we ensure a safe and pleasant environment for everyone.

Our housekeeping services are delivered with efficiency, professionalism, and a commitment to the highest standards.

Laundry

We provides comprehensive Laundry solutions which include the design, procurement, installation, operation and maintenance of laundry facilities of various scales.

We equally offer entire end-to-end managed processes of laundry collection, sorting, washing, ironing, packing and delivery within large staff accommodation compounds, with capacity to serve large number of residents.

We guarantee quality and timely services by operating as per the best standard operating procedures and processes.

Pest Control

We offers complete vector management services which include vermin and pest control.

Our service is supported by a quality assurance program, a team of experts, and comprehensive documentation of our findings, which collectively ensure that our pest control service meets the highest quality standards.

We also supply materials and equipment to perform vector management services, and at the same time provide training for our clients to handle their own operations.

Our specialized teams ensure that the materials used are environmentally friendly and are within the permissible International Health and Safety guidelines and requirements.

Recreation

Embark on unforgettable adventures with AMWAJ! Our recreation services offer a perfect blend of relaxation and excitement, catering to all ages and interests. Whether you're seeking outdoor exploration, thrilling activities, or peaceful retreats, we have something for everyone. Let us help you create lasting memories and make the most of your leisure time. Join us and discover the joy of recreation!

Ship Chandling

We take pride in being a trusted partner in the maritime industry, delivering comprehensive ship chandling services designed to meet the diverse needs of every vessel. From provision supplies, deck and engine stores, to bonded goods and safety equipment, we ensure that all aspects of your ship's requirements are handled with efficiency and reliability.

Our dedicated team is available 24/7, offering prompt and professional service to ensure seamless operations. With a strong commitment to quality, competitive pricing, and access to a global network, we serve as your one-stop solution for all ship chandling needs, helping you navigate the seas with confidence.

Housekeeping Healthcare

We understand that maintaining cleanliness and hygiene in healthcare environments is critical to ensuring patient safety and well-being. Our specialized Housekeeping for Healthcare services are designed to meet the stringent requirements of hospitals, clinics, and medical facilities, providing a clean, sanitized, and welcoming environment for patients, staff, and visitors.

Our trained team follows rigorous cleaning protocols and infection control measures, utilizing advanced cleaning techniques and approved products to prevent crosscontamination and maintain a sterile environment. We ensure that every corner of your facility is meticulously cleaned and maintained to the highest standards. With a commitment to excellence, efficiency, and compliance with healthcare regulations, Amwaj's Housekeeping for Healthcare services contribute to creating a safe and comfortable environment

Facade Maintenance

We delivers professional facade maintenance services designed to preserve the aesthetic appeal and structural integrity of buildings. Our expert team utilizes advanced techniques and equipment to ensure efficient cleaning, repair, and upkeep of all types of facades, including glass, metal, stone, and composite materials.

With a focus on safety, precision, and minimal disruption, we tailor our services to meet the sepcific requirements of each project. Whether it's routine cleaning, stain removal, or restoration,

Waste Management

We provides efficient and environmentally responsible waste management solutions tailored to meet the diverse needs of our clients. Our services include waste collection, segregation, recycling, and safe disposal, all conducted in strict compliance with environmental regulations and industry standards.

We prioritize sustainability by incorporating advanced waste management practices that minimize environmental impact, promote recycling, and reduce landfill dependency. Whether handling general waste, hazardous materials, or specialized waste streams, our team ensures a clean, safe, and Ecoconscious approach to waste management.
